Make Your Booth Attractive and Fun! The best way to attract people to your booth is to have a game or other contest in which they can participate. Spin the wheel for a free toy or some candy, guess the number of beans in a jar for a free coupon, toss rings around some mini-cones and get a bag or bottle of water. You get the idea.

43rd Annual Walnut Family Festival

Community Expo Booth

Enclosed you will find a Community Expo booth space application. Please consider joining us by returning the application in the enclosed envelope at your earliest convenience. Please carefully read the Event Participation Terms and Conditions outlined in the application on in this letter.

The Walnut Family Festival originally began in 1977 when residents, businesses, and friends of the City of Walnut began to get together to inform Walnut residents about the commercial aspects the City offered, as well as the many services available in Walnut. The Festival includes a parade, live continuous entertainment, food court, children's game area, and numerous booths representing businesses, crafters, and non-profit organizations.

The Festival celebrates all that is Walnut by encouraging as many organizations to become involved in bringing community awareness to its residents. There is an estimated 2,000 people in attendance each year. This annual community event is planned by a volunteer committee of local residents.
