Three Ways to be Contacted in an Emergency

Wireless Emergency Alerts (W.E.A.)

W.E.A. are urgent alerts sent to your cell phone based on your location. A W.E.A. may fall under one of three alert categories: Imminent Threat, AMBER and Presidential.

Message may be sent out by the County of Los Angeles, the State of California or the Federal Government.

**Registration not
required**

Everbridge

Everbridge is a free alert system for Walnut residents. Alerts may be sent regarding a variety of situations, such as natural disasters, major unexpected road closures, or area evacuations.

Residents may select how they are electronically notified (cell phone, email and/or text).

Registration required

Register at:

www.cityofwalnut.org/for-residents/emergency-notification-system

Alert LA

Alert LA is the free mass notification system for Los Angeles County residents and businesses.

The County Sheriff's Department uses Alert LA to contact you if there is an emergency or disaster in your community.

Registration required

Register at:
alert.lacounty.gov

Communication is vital in an emergency. Sign up for Alert LA and Everbridge today. If you have already signed up, remember to keep your contact information current.
