## CITY OF WALNUT

July 8, 2015

Mt. San Antonio College Board of Trustees  
1100 Grand Avenue  
Walnut, CA 91789

**RE: June 17, 2015 Board of Trustees Meeting Agenda Consent Item No.3 (Resolution No. 15-01)  
Assessment, Design, Installation, and Operation and Maintenance of Photovoltaic Solar  
System - Request for Qualifications/Request for Proposal No. 3005.**

Honorable Members of the Board,

As previously indicated in e-mail correspondence (May 15, 2015) with Mt. SAC officials, the City of Walnut Municipal Code indicates that the proposed solar project, which is to be located on residentially zoned land, is subject to the city's approval process.

This type of project requires a Conditional Use Permit and we strongly encourage the board to limit the scope of any action until the time that the solar project is considered by the City of Walnut.

Sincerely,

  
Michael Montgomery  
City Attorney
